ABOUT US

Doll Up by Gaganakshi Kumar, we believe that every face tells a story — and makeup should enhance, not hide it.

Led by professional makeup artist **Gaganakshi Kumar**, we specialize in **mature skin makeup, highly pigmented and textured skin, including pitted, active acne and open pore skin**, ensuring a smooth, radiant, and natural finish that celebrates your individuality.

Our **signature bridal makeup** is what we're best known for — **drag-proof, storm-proof**, and made to last through every emotion, every tear, and every celebration. Each look is tailored to your skin type, features, and personal style, blending artistry with precision for flawless, camera-ready results.

At Doll Up, it's not just about makeup — it's about confidence, grace, and timeless beauty that shines from within.
